

Jockey Club Ti-I College
F.2-F.4 Admission 2024-2025
Application Guide

General Information

Please read this guide carefully before completing the application form.

School Mission

- The school was founded with the belief that on top of the normal grammar school curriculum, it can also give students a better chance to develop their potential in sports or arts.
- The school puts equal emphasis on academic achievement and the development of students' talents in sports and arts.
- By the time students leave the school, they will have acquired proficient language skills, have an analytical mind, the ability to think for themselves, and a sound knowledge in academic subjects as well as in sports or arts.

Dormitory

- The running of the Dormitory not only helps students save time in commuting from home to school, but also provides them with an all-round school life. If admitted, interested students should make an application for a boarding place and go through a selection process.

Application Period: 1 March 2024 to 20 May 2024

How to Complete the Application Form (Google Form)

Personal Information Collection Statement

The information provided in the application form will be used solely for admission purposes. The information and the application forms of unsuccessful applicants will be destroyed after a retention period of one year.

Jockey Club Ti-I College
F.2-F.4 Admission
"Visual Arts Portfolio" Submission Guidelines
(For VA Applicants Only)

General Information

The Portfolio is a selection of the applicant's recent creative works from the past three years that reflect your strength in creative practice. The selection you make for the portfolio should include a wide range of media, demonstrating your own ideas, interests, enthusiasm and ambition in visual arts.

The Visual Arts Portfolio should demonstrate your

- talent in visual arts
- aesthetic sense
- variety of capabilities in creations
- curiosity and active engagement in visual arts learning /community

Tips for the Visual Arts Portfolio

The Portfolio should be in **PDF format** and contain your visual arts-related works. It can be a documentation of your personal creative practice, including works selected from your school projects, or personal works in any arts/design disciplines, such as drawing, painting, photography, mixed media, sculpture, installation, video, animation, fashion, graphics, product design, etc. The total number of pages must not exceed 10 pages and the maximum file size is 300 MB. The contents of your portfolio should reflect your ability, personality, creativity, and potential in studying visual arts.

- Show your works executed with a variety of media and approaches, rather than many works of the same kind. Sketches from idea development also can be included.
- Personal insights and creative concepts are emphasized, not only sheer technical virtuosity.
- You may include both two- and three-dimensional works, as well as interactive and time-based projects. Please provide links to the actual websites and video files if they are accessible online.
- Include the title, the year of creation and an approximately 30-word description for each work. Please consider the image size and the order of how these works should be viewed.

Content of the Visual Arts Portfolio

Item 1 - Images of your original artwork (4-6 pages)

Item 2 - Selected photos and descriptions of art activity participation/ art awards (1-2 pages) (if any)

Item 3 - Create a portrait painting of how you see yourself or others see you. There is no limitation on media and ways of expression. Provide an artist statement of about 50 words. (1 page)

Item 4 - Create a 3D sculpture from found objects or materials. Create a message by exploring its colors, forms and materials. Photograph it and provide an artist statement of about 50 words. (1 page)

Format of the Visual Arts Portfolio

File Name : Your Full English Name_VA3.pdf

File Size : Maximum 300 MB (must not exceed 10 pages)

File Format : PDF

Jockey Club Ti-I College
F.2-F.4 Admission
"Sport Skills Video" Submission Guidelines
(For PE Applicants Only)

General Information

Skill proficiency is decisive in determining the outcomes of many sports. For the purpose of talent identification, the skill performance of the athlete is usually assessed. Therefore, it is necessary for applicants to submit a video to demonstrate their sport skills.

The Video should demonstrate your:

- skill level, techniques and abilities;
- interests and capacities; and
- potential in sports.

Tips for the Video

It is important to assess the applicant's performance in a fair and unbiased manner, thus,

- the appearance of the applicant should be clearly seen in the video; and
- the video clips of applicant's sport-specific actions or game footage should demonstrate his/her talents, technical abilities and mastery of a key sport skill.

Content of the Video (1 minute)

Skill Performance

- The skill shown in the video should demonstrate the skill selected in the application form.
- The video should contain specific skill performance in training/ competition/ time trial in events like swimming (strokes) or athletics (track events etc.). Related records should be clearly seen (if any).

Format of the Video

- Filename: Your Full English Name_PE3.mp4
- File size: Maximum 300 MB
- Format: MP4
- Length: 1 minute
